COMPANY OVERVIEW

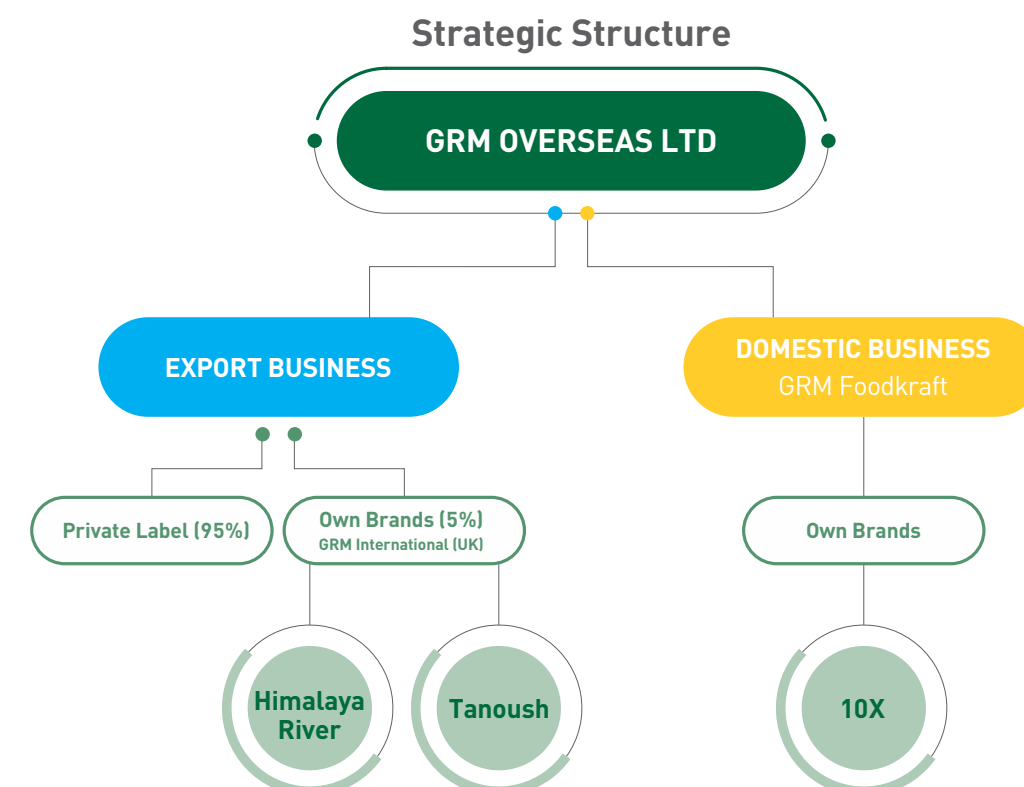

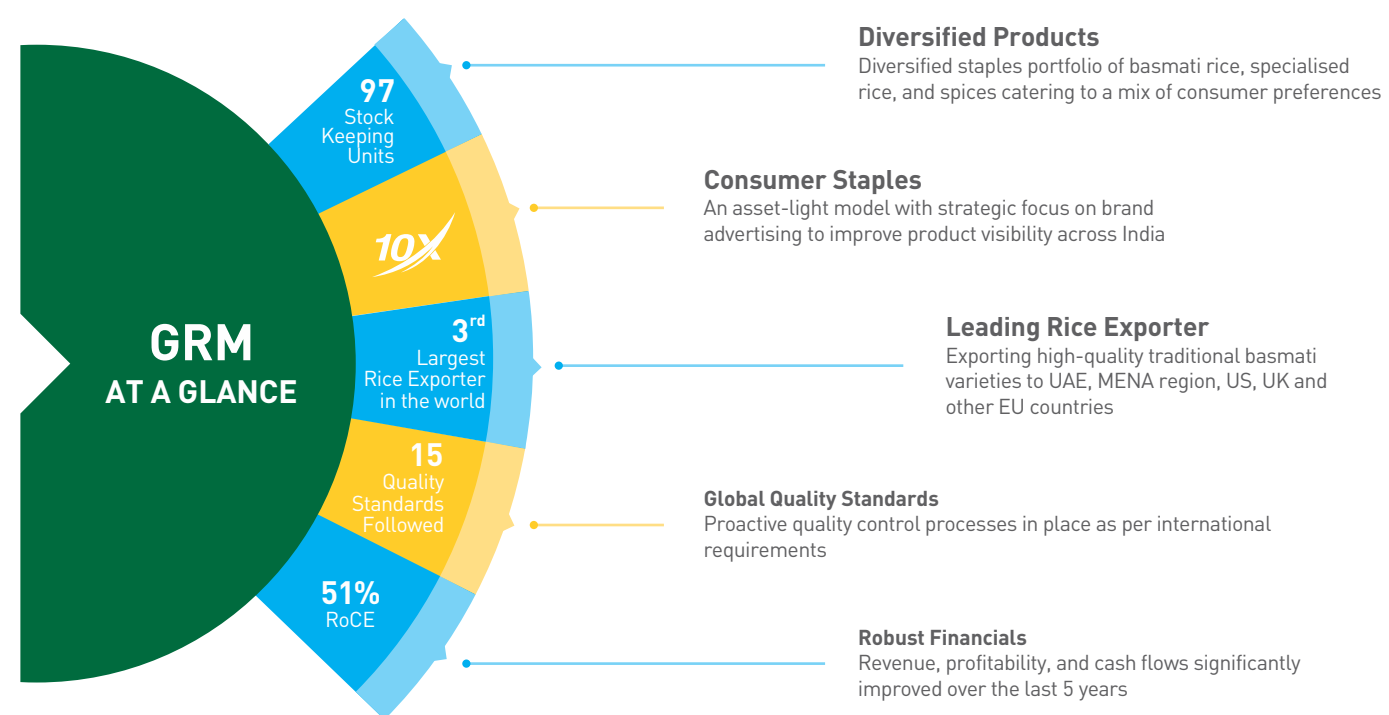

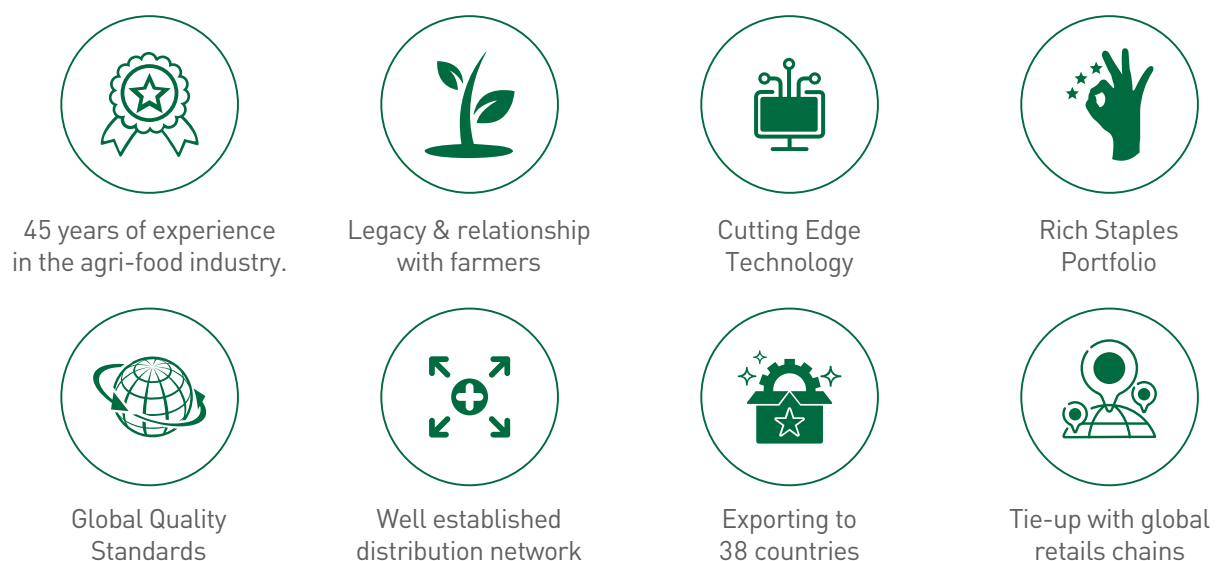

SETTING THE PACE TOWARDS THE GOAL

From humble inception in 1974 to redefining ourselves in the form of GRM, we are India's leading rice exporter, primarily focused on all varieties of basmati rice. Our growth story is a result of our never-ending quest for excellence. Investing in the latest technology and giving importance to our R & D division has helped us in adapting our products to the ever-growing market.

GRM was established in 1974 and it has travelled a long way since then. Initially setup as a rice manufacturing and trading house, it is growing to become a consumer staples organization. During the initial years, GRM exported rice to the Middle East, United Kingdom and the United States. Gradually expanding its reach, GRM has developed a market for its rice in more than 38 countries, thereby achieving the title of the Third Largest Rice Exporter in India. In recent years, GRM has endeavoured to reach the consumers directly with its brands and products. By placing its products on the shelves of several major retailer in India and abroad, GRM has ensured that the end consumer always has easy access to their high-quality products.

GRM has established itself as a quality Basmati Rice producer and supplier worldwide. It has reached this height through its incessant quest for excellence and commitment to customer taste. With its well-defined strategy of employing cutting edge technology, while investing considerable time and money into R & D, the company has excelled in anticipating the changes in food industry trends and bringing in products accordingly to cater to the ever-growing market. It functions through a network of sales and distribution offices in the UK, USA & Middle East and has tied up with 1,800 stores globally to reach its customers.

MESSAGE FROM CHAIRMAN & MD

Mr. Atul Garg
Chairman & Managing Director

Life in 2020-21 was overshadowed by the impact of the pandemic, and on behalf of the Board, let me start by saying that our thoughts go out to all those who have suffered from the effects of this terrible pandemic. Equally, we remain deeply thankful to all those front-line workers – including in our own business – who have worked tirelessly to help keep others safe and our economies moving forward. Despite the inevitable and widespread disruption to our business, the group responded with commendable resilience and ingenuity, delivering a good set of results in very challenging circumstances. Importantly, we also took the opportunity last year to progress our strategic change agenda of GRM 2.0, with each of us overwhelmingly supporting our proposal to simplify.

BEATING THE PANDEMIC

The pandemic has tested the world in ways few anticipated. They also tested the resilience of our business – our people, our operations, our financial strength. While this has not been an easy year for many, but it's made our company more robust and better prepared for a fast-changing world. We have responded with speed and agility to protect our people while growing our business. We are driving a progressive agenda on our people's physical and

mental well-being and the future of work. We also continue to serve our consumers through our purposeful brands, which are more relevant than ever. Above all, this year has strengthened our commitment to being the domestic leader in consumer staples. We have reciprocated vigorously to our GRM 2.0 business model and delivered superior performance.

TAKING GRM 2.0 FORWARD

GRM has made a reputation as a purpose-driven company founded on strong values, wonderful brands, and a talented and committed workforce. GRM 2.0 is not just a statement or phrase; it's a passion we live by and are sure to achieve by 2024-25. GRM 2.0 isn't just something we say – it steers our decisions and shapes our actions at every business level. GRM 2.0 also means anticipating the significant changes shaping our industry—becoming fully digitised, lowering cost and more agile. We will use our scale and influence to create positive change well beyond the industry dynamics. We wish to expand into high-growth markets with superior products that are good for both people and the environment. Further, we will attract the very best people into a diverse, inclusive and flexible working culture.

The Consolidated **EBITDA** has increased from ₹ **48 Cr.** in FY 2020 to ₹ **67 Cr.** in FY2021. We registered an increase of **40%** in our **EBITDA**.

The **Profit After Tax (PAT)** has increased from ₹ **31.7 Cr.**

in FY2020 to ₹ **45.42 Cr.** in FY2021.

OUR PERFORMANCE

Given the need to manage the business dynamically in the wake of the far-reaching effects of the coronavirus pandemic, we took the prudent decision early in the year to focus on volume-led competitive growth and the delivery of underlying operating profit and free cash flow, as the best means of maximising value. Our results confirm that those objectives were met, improving underlying operating profit and strong free cash flow. Responding quickly and decisively to events – combined with a sharper focus on operational basics – contributed significantly to the step-up in competitiveness. We are strongly backing our GRM 2.0 approach, including the strategic review of new segments and products. We are confident that everything possible will help accelerate topline growth and its vision to make GRM a premier consumer staple company.

LOOKING AHEAD

Even though conditions will remain challenging, and we will be living with the effects of Covid-19 for some time to come, GRM has already shown it can withstand shocks and emerge stronger. With its powerful brand portfolio,

enviable position in the growth markets of the future, and recognised leadership, GRM has some enduring and unrivalled strengths. Combined with its strong leadership team and outstanding workforce, we are confident that the group is well-placed to deliver competitive returns while meeting the needs of its multiple – and highly valued – stakeholders.

Finally, on behalf of the Board, let me express our profound appreciation to the hardworking women and men – and the many more the company partners with – Farmers, Distributors, Stakeholders, Shareholders, Investors etc for their impressive efforts and commitment during one of the most complex and challenging year ever. It's because of your support that we have been able to deliver outstanding results and growth.

Warm Regards,

Atul Garg
Chairman & Managing Director

MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY OVERVIEW

Economic Scenario

Global Economy

In 2020, the Covid-19 pandemic caused a major disruption to the global economy. Months of uncertainty and fear paralysed economic activity across sectors. Trade and tourism were halted, while job and productivity losses increased dramatically. The world's economies endured an unparalleled slump as Governments around the world enacted lockdowns to tackle the rising Covid-19 outbreaks. Fiscal and monetary stimulus programmes were swiftly implemented to help rescue the economy.

One year into the pandemic, economic recoveries are varying across nations and sectors, reflecting adoption of the new normal and the extent of policy support. The global growth is predicted to reach 6% in 2021, before moderating to 4.4% in 2022. (Source: World Economic Outlook). The future is uncertain and it will depend on the direction the pandemic takes, the effectiveness of policy support, and the pace of the vaccine-powered normalisation.

Indian Economy

In the pre-Covid-19 scenario, the Indian Economy continued the mid-single digit growth path. GDP growth has shown negative signs during current period post Covid-19 outbreak in the country. First few cases of Covid-19 infection emerged in India in February 2020. Travel restrictions and testing norms were put in place from 1st week of March and these intensified further in the following week leading to a complete lockdown of entire country on 24th March 2020.

GRM also announced a production shutdown across all its manufacturing units initially while, production resumed at some of our manufacturing units, after securing permissions for producing essential products.

Changing Dynamics of the Food and FMCG Sector

The FMCG landscape is undergoing a sea change with the emergence of Covid-19, which is also impacting consumer behavior across markets and geographies. We expect the following consumer trends to pick up in the post-Covid-19 world:

1. Increased consumer focus on health and hygiene, particularly on agri and food products, with a preference for packaged branded products
2. Discretionary spending would be curtailed due to shift of priorities towards essentials
3. Movement towards financial security to gain momentum
4. Technology to act as a catalyst for convenient, safe and enhanced consumer experiences

We also expect the industry to undergo recalibration of the supply chain and distribution network, with channels like e-commerce and Direct to Consumer gaining salience. Local kirana (grocery) stores have seen a resurgence as proximity and availability of products came into prominence. These retail outlets may become more organized, digitally enabled, and serviced directly.

The Indian Food sector, which contributes to 57% of the overall FMCG market, witnessed growth of 8-9%. While the Food sector, riding on demand for consumer staples, has been growing at a good pace. Due to the extended lockdown in India, cooking at home was a big theme due to which convenience foods and cooking ingredients were in high demand.

Internal Control Systems and Their Adequacy:

GRM has an Internal Control System corresponding with the size, scale and complexity of its operations. The scope and authority of the Internal Audit function are defined in the Internal Audit Manual. The Internal Audit function reports directly to the Chairman of the Audit Committee of the Board & to the Chairman & Managing Director to maintain its objectivity and independence.

The Internal Audit Department also monitors and evaluates the efficacy and adequacy of the internal control system, its compliance with operating systems, accounting procedures and policies all across. Based on the internal audit function report, the committee undertakes corrective action in their respective areas, thereby strengthening the controls. Significant audit observations and recommendations along with corrective actions thereon are presented to the Board's Audit Committee.

Material Developments in Human Resources/ Industrial Relations, Including Number of the Employed

GRM as an organisation recognises human capital as an essential and strategic resource and honours the dignity of each employee irrespective of position, and highly values the cultural diversities of its employees. It believes in employee empowerment across the organisation to

achieve organisational effectiveness. Special efforts are made to identify specific training needs to update the skills of the employees. Human Resources continue to get the primary focus of the management and regard its human resources amongst its most valuable assets. It always has and will continue to invest in people during the year through the various training programme to keep its employees competent. As of the financial year ended 31st March 2021, GRM has employed a total of 430 employees inclusive of indirect employees.

Discussion on Financial Performance with respect to Operational Performance.

BUSINESS OVERVIEW - GRM 2.0

GRM 2.0 is all about the company moving up the value chain. It's an evolution of the company for a sustainable future business model. Under GRM 2.0 we would be identifying, organizing and simplifying our entire business into two separate operating groups.

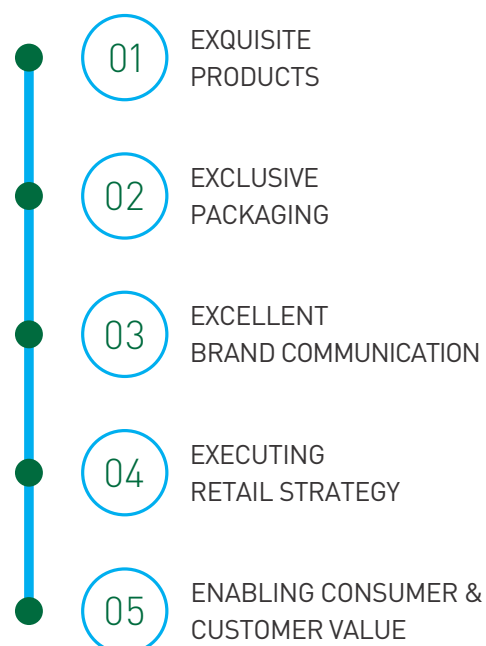

- GRM Global Agri would solely focus on Contract Research & Manufacturing Services (CRAMS) in Basmati Rice, globally.
- GRM Foods would initiate new avenues for their Brands into foods staple, globally.

Both these segments will have crystal clear focus, and the result would be beneficial for our global customers, communities and our businesses. Our years of experience and hard work have laid the perfect platform for GRM 2.0. It's centred on building on our brand laurels and pressing the full throttle to unlock the immense potential that brand GRM possesses. All this would happen smoothly while our brand continues to grow our core business.

5E Strategy For GRM 2.0

GRM Overseas has experience of over 4 decades and is the 3rd largest exporter of Basmati Rice to Gulf Region and 5th largest globally. Previous GRM had framed strategies and accordingly new brands were launched. The brand were launched initially in UK and followed by the Gulf region.

Under GRM 2.0 the company has decided to enter the ever-attractive and ever-growing Indian market with its own brand. Our focus would be to enter not only the rice segment but also the entire food staple space. Our extensive R&D team will keep on its hard work and we would keep launching various products in the FMCG space. Over the coming time we would like to leverage ourselves from just a company in the rice segment to a key organisation in the Indian FMCG space. And to penetrate in this space we have formulated 5E strategy that would help us in steering into the FMCG space.

Exquisite Products

We would develop products that are too good to be missed. Our product taste and quality be the best in the segment and we would make sure that the customer could differentiate our brand from other quite easily.

Exclusive Packaging

Packaging is the first impression that a brand or product makes on the shelf. We would be investing in attractive packaging design and material to attract consumer. Our exclusive packaging would convey our brand equity and would help consumers select our product for their needs and delight.

Excellent Brand Communication

Positioning our communication is the most critical part of this GRM 2.0. We would be communicating our product benefits with exceptional advertising that would tinker with the emotional quotient of the consumer. It would make the audiences think, talk, laugh, cry, smile, act and buy — and that would drive the category and brand growth.

Executing Retail Strategy

To make GRM 2.0 successful we would need to execute our retail strategy execution to perfection. Our strategy would be based on various factors such as right store coverage, product forms, sizes, price points, shelving and merchandising

Enabling Consumer & Customer Value

Penetrating into Indian market that is very highly cost-oriented we would need to present our customer and consumer with a brand value that they would love to have. Our mission is to present a clear vision at a compelling price.

Other Factors
Changing Lifestyle

Indian consumer and market have changed drastically over the past decade. With the rise in the per capita income, more and more customers are ready to try new products and then take their decision rather than taking the brand's past laurels as a benchmark.

Customer Preferences

With the constantly changing buying patterns, customers prefer premium, branded and healthy products instead of low quality and cheap ones. This factor is likely to push up demand for branded and healthy rice products like Basmati rice across modern retail chains.

Greater Acceptability

Increasing acceptance of rice as a staple diet has enhanced accessibility of Basmati rice across different markets round the globe. Our different product offerings will be strategically positioned to cater to different categories of consumers at different geographical locations and across different price points to enhance affordability.

SWOT Analysis

Strengths

- More than 45 years of experience in the agri-food industry
- Exporting to 38 countries. Leading exporter to gulf region, with a global footprint expanding rapidly
- State-of-the-art facilities with collective capacity of 2,000 MT per day to cater growing domestic and international demand
- Well established distribution network
- Tie-up with reputed customers like ASDA (Walmart UK), T.J. Morris and B&M in the UK; Albert Heijn in Holland and Metro in Poland and Carrefour in the UAE
- Superior product quality, consistent supply and competitive pricing

Weakness

- Rice production is strongly dependent on weather conditions, rainfall and other climatic conditions
- Weather, disease and pests affect both the quantity and quality of rice produced
- Due to required ageing of rice to enhance and maintain quality, the working capital cycle requirement is higher.

Opportunities

- GRM making increasing efforts towards its own brand development, as it allows for differentiation in a rice industry, makes way for greater market acceptance, and imparts ability to develop a pricing premium in the long term. The Company has launched own branded products in European retailers and is focused on expanding sales of own branded products to newer geographies
- Acquired manufacturing facility in Gandhidham, which is in proximity to the Mundra port, provides opportunity to focus on operationally efficient export oriented production and helps to supports to augment exports
- The future of Basmati is very bright in India. Indian consumption is only around 20% of basmati production in the country. As per capita income in India grows, domestic market will further see growth in Indian market. It offers an opportunity of growth in sales by double digits for next 10 years
- There are a very few nation-wide players and being in a niche segment like basmati rice and have other

speciality rice like red rice, organic rice,, brown rice etc., we find a good opportunity therein.

GRM is expanding business in India to serve General Trade, Modern Trade and Horeca. Our tie-up with MAN consumers, Dubai to promote in-house brands makes the growth coming from everywhere

Threats

- Recessionary trend in the global economy and increasing trade barriers in the international markets impacts demand adversely
- In Basmati rice exports, India only competes with Pakistan. With increasing competition from Pakistan may impact India's dominance in the global Basmati market
- Competition from domestic unorganized sector players who accounting for nearly half of the Basmati market, pose a threat to the large organized players like GRM, particularly in general trade.

INDEPENDENT AUDITORS' REPORT

To the Members of GRM OVERSEAS LIMITED

Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

We have audited the Standalone Ind AS Financial Statements of **GRM Overseas Limited** ("the Company"), which comprise the Balance Sheet as at 31st March 2021, and the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the Standalone Ind AS Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Ind AS Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2021, and profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Ind AS Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Ind AS Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Standalone Ind AS Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the Standalone Ind AS Financial Statements and our auditors' report thereon.

Our opinion on the Standalone Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Ind AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Standalone Ind AS Financial Statements that give a true and fair view of the state of affairs, profit / loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Ind AS Financial Statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to Standalone Ind AS Financial Statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Ind AS Financial Statements, including the disclosures, and whether the Standalone Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid Standalone Ind AS Financial Statements comply with the Ind AS specified under Section 133 of the Act.

- (e) On the basis of the written representations received from the directors as on 31st March 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2021 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".
- (g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position in its Standalone Ind AS Financial Statements;
 - ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company; and
 - iv. The disclosures in the Standalone Ind AS Financial Statements regarding holdings as well as dealings in specified bank notes during the period from 8 November 2016 to 30 December 2016 have not been made in these Standalone Ind AS Financial Statements since they do not pertain to the financial year ended 31st March 2021

3. With respect to the matter to be included in the Auditors' Report under section 197(16):

In our opinion and according to the information and explanations given to us, the remuneration paid/payable by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid/payable to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

**Annexure B
to the Independent Auditors' Report**

**(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements'
section of our report of even date)**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143
of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to Standalone Ind AS Financial Statements of GRM Overseas Limited ("the Company") as of 31st March 2021 in conjunction with our audit of the Standalone Ind AS Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to Standalone Ind AS Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Standalone Ind AS Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Standalone Ind AS Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to Standalone Ind AS Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Standalone Ind AS Financial Statements included obtaining an understanding of internal financial controls with reference to Standalone Ind AS Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Standalone Ind AS Financial Statements.

Meaning of Internal Financial Controls with reference to Standalone Ind AS Financial Statements

A company's internal financial control with reference to Standalone Ind AS Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Standalone Ind AS Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Ind AS Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Ind AS Financial Statements

Because of the inherent limitations of internal financial controls with reference to Standalone Ind AS Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone Ind AS Financial Statements to future periods are subject to the risk that the internal financial control with reference to Standalone Ind AS Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to Standalone Ind AS Financial Statements and such internal financial controls with reference to Standalone Ind AS Financial Statements were operating effectively as at 31st March 2021, based on the internal control with reference to Standalone Ind AS Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO ACCOUNTS

Note No. 1

CORPORATE INFORMATION

GRM OVERSEAS LIMITED (the 'Company') was incorporated in India as a limited company under the Companies Act, 1956 vide certificate of incorporation no. 55-64007 dt.03 January, 1995. The Company got Certificate of Commencement of Business on 10 January, 1995 and is engaged primarily in the business of milling, processing and marketing of branded and non-branded basmati rice in the domestic and overseas market. The company is listed on Bombay Stock Exchange in India.

Note No. 2

SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting and Statement of compliance

These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time.

2. Functional and Presentation Currency

The Company's Standalone financial statements are presented in Indian Rupees (₹), which is also its functional currency and all values are rounded to the nearest lakh (₹00,000), except when otherwise indicated.

3. Basis of preparation and presentation

The standalone financial statements have been prepared on the historical cost basis except for certain financial assets & liabilities and defined benefit plans which have been measured at fair value amount. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle which has been taken as 12 months. Company's standalone financial statements are presented in Indian Rupees, which is also its functional currency.

4. Use of estimates and judgements

The preparation of standalone financial statements in conformity with the recognition and measurement principles of IND AS requires the management to make estimates and assumptions that affect the balances of assets and liabilities, disclosures of contingent liabilities as at the date of the standalone financial statements and the reported amounts of income and expenses for the periods presented. The Company has a policy to review these estimates and underlying assumptions on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

• Inventories

Items of inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any, except in case of scrap, which is valued at net realisable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition. Cost of raw materials, stores and spares, packing materials, trading and other products are determined on weighted average basis.

• Contingencies /Provisions

Provision is recognized when the Company has a present obligation as a result of past event; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate of the expenditure required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

5. Recent Indian Accounting Standards (Ind As)

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards. There is no such notification which would have been applicable from 1st April, 2021.

6. Summary of Significant Accounting Policies

A. Property, plant and equipment (IND AS 16)

Freehold land is carried at historical cost. All other items of Property, plant and equipment are stated at cost, net of trade discount, rebates and recoverable taxes less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bring the assets to its working condition for its intended use. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably. Depreciation on property, plant and equipment provided using straight line method. Depreciation is calculated based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. Gains or losses arising from de-recognition of fixed Assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

B. Intangible assets (IND AS 38)

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortization /depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use. Subsequent costs are included in the asset's carrying amount or recognised as

a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably. Intangible assets are amortized using straight line method based on management estimate of useful life of the assets.

C. Leases (IND AS 116)

The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset. The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any re-measurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the lease term.

D. Cash and cash equivalents

The cash & cash Equivalent comprise of cash on hand, cash at banks and Short Term Deposits. The Company considers all short term highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usages.

E. Borrowing Cost (IND AS 23)

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

F. Impairment of property, plant and equipment and intangible assets (IND AS 36)

An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash-generating units).

G. Employee Benefits Expense (IND AS 119)

Short Term Employee Benefits obligation

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services. These benefits include compensated absences and performance incentives.

Other long-term Employee Benefit obligations

The liabilities for earned leave which are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are measured on the basis of independent actuarial valuation certificate as the present value of the expected future payments to be made in respect of service provided by the employees upto the end of the reporting period.

Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund, Superannuation Fund and Pension Scheme. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

Defined Benefit Plans

The Company pays gratuity to the eligible employees in accordance with the payment of Gratuity act, 1972. The liability recognized in the balance sheet in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period. The defined benefit obligations are calculated at the end of the reporting period by actuaries using the projected unit credit method. Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

H. Tax Expenses

The tax expense for the period comprises current and deferred tax. Tax is recognised in the statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

- **Current tax:** Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

- **Deferred tax:** Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the standalone financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred Tax Assets are recognized to the extent it is probable that the taxable profit will be available against which the deductible temporary differences, and carry forward of unused tax losses can be utilized. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

I. Foreign Exchange Transaction and translation (IND AS 21)

Items included in the standalone financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The standalone financial statements are presented in Indian Rupee (INR), which is Company's functional and presentation currency. Foreign currency transactions are translated into the functional currency using the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets, are capitalized as cost of assets. Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item.

J. Revenue recognition (IND AS 115)

Revenue is recognised when control of the products being sold has transferred to the customer and when there are no longer any unfulfilled obligations to the customer. This is generally on delivery to the customer but depending on individual customer terms, this can be at the time of dispatch, delivery or upon formal customer acceptance, goods under physical possession of customer. This is considered the appropriate point where the performance obligations in our contracts are satisfied as Company no longer have control over the inventory. Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, returns and Indirect Taxes. No element of financing is present in the pricing arrangement. Settlement terms range from cash-on-delivery to credit terms ranging upto 180 days.

K. Dividend Income is recorded when the right to receive payment is established.

L. Interest income is recognised using the effective interest method.

M. Financial Instruments

Financial Assets

- Initial Recognition & Measurement - At initial recognition, the Company measures financial assets at its fair value plus, in the case of a financial assets not at fair value through profit or loss, transaction cost that are directly attributable to the acquisition of the financial asset. Transaction cost of financial assets carried at fair value through profit or loss are expensed off in the statement of profit or loss. Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortized cost and is not part of a hedging relationship is recognised in profit or loss when the assets is derecognized or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

- Investment - The Company account for its investments in subsidiaries, associates and joint venture at cost and all other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in Other Comprehensive Income.

- Impairment of financial assets - The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables Company applies simplified approach which requires expected lifetime losses to be recognised from initial recognition of the receivables.

Financial liabilities

- Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

- Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Derecognition of financial instruments -The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

N. Earning per Share

Basic Earning per share is calculated by dividing the profit attributable to owners of the Company by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year. The Company did not have any potentially dilutive securities in any of the years presented.

O. Costs and expenses are recognised when incurred and have been classified according to their nature.

Nature and purpose of reserves:

Investment Allowance Reserve - This reserve created as per Income Tax Act, 1961.

Securities Premium - Securities Premium Reserve represents premium received on issue of shares at a premium. The reserves can be utilised in accordance with section 52 of Companies Act, 2013.

Forfeiture Share Capital Reserve - This represents amount forfeited from a member who fails to pay any call, or installment of call.

Forfeiture Share Premium Reserve - This represents premium amount forfeited from a member who fails to pay any call, or installment of call.

Revaluation Reserve - Revaluation reserve represents increase in fair value of an item of property, plant and equipment less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

General Reserve: The general reserve is a free reserve which is used from time to time to transfer profits from retained earnings for appropriation purposes. As the general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, item included in the general reserve will not be reclassified subsequently to statement of profit and loss. Mandatory transfer to general reserve is not required under the Companies Act, 2013.

Financial risk management

The Company has exposure to the following risks arising from financial instruments:

A) Credit risk
a) Credit risk management

The Company assesses and manages credit risk based on internal credit rating system, continuously monitoring defaults of customers and other counterparties, identified either individually or by the company, and incorporates this information into its credit risk controls. Internal credit rating is performed for each class of financial instruments with different characteristics. The Company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

A: Low

B: Medium

C: High

Assets under credit risk –

(Amount ₹ in Lakh)

Description	Year ended 31st March, 2021	Year ended 31st March, 2020
A: Low		
Investments	162.79	142.18

Cash and cash equivalents	164.69	136.27
Other bank balances	52.26	27.78
Trade receivables	27,547.62	27,306.73

Cash and cash equivalents and other bank balances

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks.

Trade receivables

The Company closely monitors the credit-worthiness of the debtors through internal systems that are configured to define credit limits of customers, thereby, limiting the credit risk to pre-calculated amounts. The Company assesses increase in credit risk on an ongoing basis for amounts receivable that become past due and default is considered to have occurred when amounts receivable become past due one year.

Other financial assets measured at amortised cost

Other financial assets measured at amortised cost includes loans and advances to employees, security deposits and others. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensure the amounts are within defined limits.

b) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains flexibility in funding by maintaining availability under committed facilities. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the company operates.

Maturities of financial liabilities

The tables below analyze the Company's financial liabilities into relevant maturity of the Company based on their contractual maturities for all non-derivative financial liabilities.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

C) Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

a) Foreign currency risk

The Company is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the US Dollar. Foreign exchange risk arises from recognised assets and liabilities denominated in a currency that is not the functional currency of the Company.

(i) Exposure to currency risk

The Company's exposure to foreign currency risk at the end of the reporting period expressed in INR are as follows.

(Amount ₹ in Lakh)

(ii) Foreign currency sensitivity

The following tables demonstrate the sensitivity to a reasonably possible change in exchange rates of USD, with all other variables held constant. The impact on the Company's profit before tax is due to changes in the fair value of monetary assets and liabilities including non-designated foreign currency derivatives. Although the

derivatives have not been designated in a hedge relationship, they act as an economic hedge and will offset the underlying transactions when they occur. Accordingly, no sensitivity analysis in respect of such loans is given. The Company's exposure to foreign currency changes for all other currencies is not material.

A positive number represents decrease in profits while a negative number represents increase in profits.

b) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company does not have any non current obligations with floating rate of interest. The Company has floating rate of interest in respect of current borrowings.

Interest rate Sensitivity Analysis

The following table demonstrates the sensitivity to a reasonable possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before taxes is affected through the impact on floating rate borrowings, as follows:

(Amount ₹ in Lakh)

Particulars	Inc/(Dec) in basis points	Effect on profit before taxes
31/03/2021		
Short Term Borrowings	50.00	(93.68)
Short Term Borrowings	(50.00)	93.68
31/03/2020		
Short Term Borrowings	50.00	(104.84)
Short Term Borrowings	(50.00)	104.84

- The Positive amount represents increase in profits while a negative amount represents decrease in profits.

- The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable market environment.

37. Capital management

The Company's capital management objectives are:

- to ensure the Company's ability to continue as a going concern.
- to provide an adequate return to shareholders.

The Company monitors capital on the basis of the carrying amount of equity less cash and cash equivalents as presented on the face of balance sheet. Management assesses the Company's capital requirements in order to maintain an efficient overall financing structure while avoiding excessive leverage. This takes into account the subordination levels of the Company's various classes of debt. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares, or sell assets to reduce debt.

The Company's adjusted net debt to equity ratio as at year end were as follows:

(Amount ₹ in Lakh)

Particulars	31-03-2021	31-03-2020
Total borrowings	18,752.57	21,014.56
Less : cash and cash equivalents	164.69	136.27
Net debt	18,587.88	20,878.28
Total equity	13,940.43	10,172.17
Adjusted net debt to adjusted equity ratio	1.33	2.05

INDEPENDENT AUDITORS' REPORT

To the Members of GRM OVERSEAS LIMITED

Report on the Audit of the Consolidated Ind AS Financial Statements

Opinion

We have audited the accompanying Consolidated Ind AS Financial Statements of **GRM Overseas Limited** (hereinafter referred to as "the Holding Company"), and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") which comprise the consolidated Balance sheet as at 31st March, 2021, and the consolidated Statement of Profit and Loss (including other comprehensive income), consolidated statement of Changes in Equity and consolidated Statement of Cash Flow for the year then ended, and notes to the Consolidated Ind AS Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Ind AS Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries, the aforesaid Consolidated Ind AS Financial Statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2021, their consolidated profit other comprehensive income, their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated Ind AS Financial Statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements' section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated Ind AS financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Ind AS Financial Statements.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Ind AS Financial Statements for the financial year ended 31st March, 2021. These matters were addressed in the context of our audit of the Consolidated Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information other than the Financial Statements and Auditor's Report thereon

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's Annual report, but does not include the Consolidated Ind AS Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the Consolidated Ind AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management & those charged with Governance for the Consolidated Ind as Financial Statements

The Holding Company's management and Board of Directors are responsible for the preparation and presentation of these Consolidated Ind AS Financial Statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective management and Board of Directors of the entities included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each entity and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Ind AS Financial Statements by the management and Board of Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Ind AS Financial Statements, the respective management and Board of Directors of the entities included in the Group are responsible for assessing the ability of each entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective management and Board of Directors, either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those respective Board of Directors of the entities included in the Group are responsible for overseeing the financial reporting process of each entity.

Auditor's Responsibilities for the Audit of The Consolidated Ind As Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on the internal financial control with reference to the Consolidated Financial Statements and operating effectiveness of such controls based on our audit.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by managements and Board of Directors of the Holding Company.
- Conclude on the appropriateness of managements and Board of Directors of the Holding Company use of the going concern basis of accounting in preparation of Consolidated Financial Statement and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Ind AS Financial Statements, including the disclosures, and whether the Consolidated Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities within the Group of which we are the independent auditors and whose financial information we have audited, to express an opinion on the Consolidated Ind AS Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Ind AS Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Ind AS Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated Ind AS Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS Financial Statements for the financial year ended 31st

March, 2021 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

- (a) We did not audit the financial statement of two subsidiaries included in the Consolidated Ind AS Financial Statement, whose financial statements reflects total assets of ₹ 2418.56 lakh as at 31st March 2021, total revenues of ₹ 3553.47 lakh, total net profit after tax of ₹ 610.01lakh, total comprehensive income of ₹ 479.57 lakh, and cash flows net of ₹ 45.87 lakh for the year ended on that date, as considered in the Consolidated Ind AS Financial Statement. These financial statements have been audited by other auditors whose audit reports have been furnished to us by the management, and our opinion in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the audit reports of such other auditors, and the procedures performed by us as stated in auditor's responsibility para above.
- (b) Further, both subsidiaries, are located outside India, whose financial Statements have been prepared in accordance with accounting principles generally accepted in India, and which have been audited by other auditor under standard of auditing applicable in India. Our opinion on the Consolidated Ind AS Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries located outside India and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based on the report of other auditor and audited by us.

Our opinion above on the Consolidated Ind AS Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit, and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiaries, as noted in the 'Other Matter' paragraph we report, to the extent applicable, that:
 - (a) We / the other auditors whose report we have relied upon, have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Ind AS Financial Statements;
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors;
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Ind AS Financial Statements;
 - (d) In our opinion, the aforesaid Consolidated Ind AS Financial Statements comply with the Ind AS specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors of the Holding Company as

Annexure 1

on 31st March, 2021 taken on record by the Board of Directors of the Holding Company and on the basis of written representation received by the management from Directors of its subsidiary which are incorporated in India as on 31st March 2021, none of the directors of the Group's companies incorporated in India is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act;

(f) With respect to the adequacy of the internal financial controls with reference to these Consolidated Ind AS Financial Statements of the Holding Company and its subsidiary company incorporated in India and the operating effectiveness of such controls, refer to our separate Report in "Annexure 1" to this report;

2. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries, as noted in the 'Other matter' paragraph:

- a. The Group does not have any pending litigations which would impact its financial position in its Consolidated Ind AS Financial Statements;
- b. The Group did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses;
- c. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company; and
- d. To the Independent Auditor's Report of even date on the Consolidated Ind AS Financial Statements of GRM OVERSEAS LIMITED for the year ended 31st March 2021.

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (i) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

(Referred to in paragraph 1(f) under "Reports on Other Legal and Regulatory Requirements" section of our report of even date)

In conjunction with our audit of the Consolidated Ind AS Financial Statements of GRM Overseas Limited (herein referred to as "the Holding Company") as of and for the year ended 31st March, 2021, we have audited the internal financial controls with reference to the Consolidated Financial Statements of the Holding Company and such companies incorporated in India under the Companies Act, 2013 which are its subsidiary company, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Company's management and the Board of Directors are responsible for establishing & maintaining internal financial controls with reference to consolidated Financial Statements based on the criteria established by the respective company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (herein referred to as "the Act").

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to Consolidated Ind AS Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, both, issued by Institute of Chartered Accountants of India, and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to Consolidated Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Ind AS Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these Consolidated Ind AS Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated Ind AS Financial Statements included obtaining and understanding of internal financial controls with reference to Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to Consolidated Ind AS Financial Statements.

Meaning of Internal Financial Controls with Reference to Consolidated Ind As Financial Statements

A company's internal financial control over financial reporting with reference to these Consolidated Ind AS Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting with reference to Consolidated Ind AS Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated Ind AS financial statements.

Inherent Limitations of Internal Financial Controls with Reference to these Consolidated Ind As Financial Statements

Because of the inherent limitations of internal financial controls with reference to Consolidated Ind AS Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to these Consolidated Ind AS Financial Statements to future periods are subject to the risk that the internal financial controls with reference to Consolidated Ind AS Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and such companies incorporated in India which are its subsidiary company, have, in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at 31 March 2021, based on the internal financial controls with reference to consolidated Ind AS financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Note No. 2

SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting and Statement of compliance

These consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time.

2. Functional and Presentation Currency

The Company's Consolidated Financial Statements are presented in Indian Rupees (₹), which is also its functional currency and all values are rounded to the nearest lakh (₹00,000), except when otherwise indicated.

3. Basis of preparation and presentation

The consolidated financial statements have been prepared on the historical cost basis except for certain financial assets & liabilities and defined benefit plans which have been measured at fair value amount. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle which has been taken as 12 months. Company's consolidated financial statements are presented in Indian Rupees, which is also its functional currency.

The Group's Consolidate Financial Statements are presented in Indian Rupees (₹), which is also its

functional currency and all values are rounded to the nearest lakh (₹00,000), except when otherwise indicated.

4. Basis of Consolidation

The consolidated financial statements (CFS) include the financial statements of GRM OVERSEAS LIMITED (the "holding Company") and its subsidiaries (collectively, the Group) accounted for under equity method.

The consolidated financial statements are prepared by adopting uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Holding Company's separate financial statements unless stated otherwise.

The consolidated financial statements have been prepared on the following basis:

The financial statements of the Holding Company and its subsidiary are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intra-group transactions.

Eliminate the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary. The difference between the parent's investments in the subsidiary companies over the parent's portion of equity of the subsidiaries on the date of investment is recognized in the consolidated financial statements as goodwill or capital reserve.

In case of foreign subsidiaries, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognised in the Foreign Currency Translation Reserve (FCTR).

Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance.

Non-Controlling Interest's share of profit/loss of consolidated subsidiaries for the year is identified and adjusted against the income of the Group in order to arrive at the net income attributable to shareholders of the Company.

Non-Controlling Interest's share of net assets of consolidated subsidiaries is identified and presented in the Consolidated Balance Sheet separate from liabilities and the equity of the Holding Company's shareholders.

Goodwill arising on consolidation is stated at cost less impairment losses, where applicable. On disposal of a subsidiary, attributable amount of goodwill is included in the determination of the profit or loss recognized in the Statement of Profit and Loss.

5. Use of estimates and judgements

The preparation of consolidated financial statements in conformity with the recognition and measurement principles of IND AS requires the management to make estimates and assumptions that affect the balances of assets and liabilities, disclosures of contingent liabilities as at the date of the consolidated financial statements and the reported amounts of income and expenses for the periods presented. The Company has a policy to review these estimates and underlying assumptions on an ongoing basis. Revisions to

accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

- **Inventories**

Items of inventories are measured at lower of cost and net realizable value after providing for obsolescence, if any, except in case of scrap, which is valued at net realizable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition. Cost of raw materials, stores and spares, packing materials, trading and other products are determined on weighted average basis.

- **Contingencies /Provisions**

Provision is recognized when the Company has a present obligation as a result of past event; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate of the expenditure required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

6. RECENT INDIAN ACCOUNTING STANDARDS (IND AS)

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards. There is no such notification which would have been applicable from 1st April, 2021.

7. Summary of Significant Accounting Policies

A. Property, plant and equipment (IND AS 16)

Freehold land is carried at historical cost. All other items of Property, plant and equipment are stated at cost, net of trade discount, rebates and recoverable taxes less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bring the assets to its working condition for its intended use. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably. Depreciation on property, plant and equipment provided using straight line method. Depreciation is calculated based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. Gains or losses arising from de-recognition of fixed Assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

B. Intangible assets (IND AS 38)

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates

less accumulated amortization /depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably. Intangible assets are amortized using straight line method based on management estimate of useful life of the assets.

C. Leases (IND AS 116)

The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset. The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any re-measurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the lease term.

D. Cash and cash equivalents

The cash & cash Equivalent comprise of cash on hand, cash at banks and Short Term Deposits. The Company considers all short term highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usages.

E. Borrowing Cost (IND AS 23)

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

F. Impairment of property, plant and equipment and intangible assets (IND AS 36)

An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash-generating units).

G. Employee Benefits Expense (IND AS 19)

Short Term Employee Benefits obligation

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services. These benefits include compensated absences and performance incentives.

Other long-term Employee Benefit obligations

The liabilities for earned leave which are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are measured on the basis of independent actuarial valuation certificate as the present value of the expected future payments to be made in respect of service provided by the employees upto the end of the reporting period.

Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund, Superannuation Fund and Pension Scheme. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

Defined Benefit Plans

The Company pays gratuity to the eligible employees in accordance with the payment of Gratuity act, 1972. The liability recognized in the balance sheet in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period. The defined benefit obligations are calculated at the end of the reporting period by actuaries using the projected unit credit method. Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

H. Tax Expenses (IND AS 12)

The tax expense for the period comprises current and deferred tax. Tax is recognised in the statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

- **Current tax:** Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

- **Deferred tax:** Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the consolidated financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred Tax Assets are recognized to the extent it is probable that the taxable profit will be available against which the deductible temporary differences, and carry forward of unused tax losses can be utilized. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

I. Foreign Exchange Transaction and translation (IND AS 21)

Items included in the consolidated financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The consolidated financial statements are presented in Indian Rupee (INR), which is Company's functional and presentation currency. Foreign currency transactions are translated into the functional currency using the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets, are capitalized as cost of assets. Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item.

J. Revenue recognition (IND AS 115)

Revenue is recognised when control of the products being sold has transferred to the customer and when there are no longer any unfulfilled obligations to the customer. This is generally on delivery to the customer but depending on individual customer terms, this can be at the time of dispatch, delivery or upon formal customer acceptance, goods under physical possession of customer. This is considered the appropriate point where the performance obligations in our contracts are satisfied as Company no longer have control over the inventory. Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, returns and Indirect Taxes. No element of financing is present in the pricing arrangement. Settlement terms range from cash-on-delivery to credit terms ranging upto 180 days.

K. Dividend Income is recorded when the right to receive payment is established.

L. Interest income is recognised using the effective interest method.

M. Financial Instruments

Financial Assets

- **Initial Recognition & Measurement** - At initial recognition, the Company measures financial assets at its fair value plus, in the case of a financial assets not at fair value through profit or loss, transaction cost that are directly attributable to the acquisition of the financial asset. Transaction cost of financial assets carried at fair value through profit or loss are expensed off in the statement of profit or loss. Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortized cost and is not part of a hedging relationship is recognised in profit or loss when the assets is derecognized or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

- **Investment** - The Company account for its investments in subsidiaries, associates and joint venture at cost and all other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in Other Comprehensive Income.

- **Impairment of financial assets** - The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables Company applies simplified approach which requires expected lifetime losses to be recognised from initial recognition of the receivables.

Financial liabilities

- Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

- Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Derecognition of financial instruments -The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

N. Earning per Share (IND AS 33)

Basic Earning per share is calculated by dividing the profit attributable to owners of the Company by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year. The Company did not have any potentially dilutive securities in any of the years presented.

O. Costs and expenses are recognised when incurred and have been classified according to their nature.

Financial risk management

The Group has exposure to the following risks arising from financial instruments:

A) Credit risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Group's receivables from customers and investments in debt securities. The carrying amount of financial assets represents the maximum credit exposure.

- trade receivables
- other current financial Assets

a) Credit risk management

The Group assesses and manages credit risk based on internal credit rating system, continuously monitoring

defaults of customers and other counterparties, identified either individually or by the company, and incorporates this information into its credit risk controls. Internal credit rating is performed for each class of financial instruments with different characteristics. The Group assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

- A: Low
- B: Medium
- C: High

Assets under credit risk –

(Amount ₹ in Lakh)

Description	Year ended 31st March, 2021	Year ended 31st March, 2020
A: Low		
Investments	10.61	-
Other Financial Assets	11.55	36.04
Cash and cash equivalents	472.01	334.53
Other bank balances	52.26	27.78
Trade receivables	25,256.30	25,704.44

Cash and cash equivalents and other bank balances

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks.

Trade receivables

The Group closely monitors the credit-worthiness of the debtors through internal systems that are configured to define credit limits of customers, thereby, limiting the credit risk to pre-calculated amounts. The Group assesses increase in credit risk on an ongoing basis for amounts receivable that become past due and default is considered to have occurred when amounts receivable become past due one year.

Other financial assets measured at amortised cost

Other financial assets measured at amortised cost includes loans and advances to employees, security deposits and others. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensure the amounts are within defined limits.

b) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Group maintains flexibility in funding by maintaining availability under committed facilities. Management monitors rolling forecasts of the Group's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Group takes into account the liquidity of the market in which the group operates.

Maturities of financial liabilities

The tables below analyze the Group's financial liabilities into relevant maturity of the Company based on their contractual maturities for all non-derivative financial liabilities.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

C) Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Group's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

a) Foreign currency risk

The Group is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the US Dollar. Foreign exchange risk arises from recognised assets and liabilities denominated in a currency that is not the functional currency of the Group.

(i) Exposure to currency risk

The Group's exposure to foreign currency risk at the end of the reporting period expressed in INR are as follows.
(Amount ₹ in Lakh)

Particulars	In foreign currency		In Indian rupees	
	March 31, 2021	March 31, 2020	March 31, 2021	March 31, 2020

Total financial liabilities	32.96	19.92	2,459.96	1,501.62

(ii) Foreign currency sensitivity

The following tables demonstrate the sensitivity to a reasonably possible change in exchange rates of USD, with all other variables held constant. The impact on the Group's profit before tax is due to changes in the fair value of monetary assets and liabilities including non-designated foreign currency derivatives. Although the derivatives have not been designated in a hedge relationship, they act as an economic hedge and will offset the underlying transactions when they occur. Accordingly, no sensitivity analysis in respect of such loans is given. The Group's exposure to foreign currency changes for all other currencies is not material.

(Amount ₹ in Lakh)

Currency	Change in rate	Effect on profit before tax	
		31-03-2021	31-03-2020
USD	Appreciation in INR by 5%	292.94	362.91
EURO	Appreciation in INR by 5%	757.30	-
USD	Depreciation in INR by 5%	(292.94)	(362.91)
EURO	Depreciation in INR by 5%	(757.30)	-

A positive number represents decrease in profits while a negative number represents increase in profits.

b) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group does not have any non current obligations with floating rate of interest. The Group has floating rate of interest in respect of current borrowings.

Interest rate Sensitivity Analysis

The following table demonstrates the sensitivity to a reasonable possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Group's profit before taxes is affected through the impact on floating rate borrowings, as follows:

(Amount ₹ in Lakh)

Particulars	Inc/(Dec) in basis points	Effect on profit before taxes
31/03/2021		
Short Term	50.00	(93.68)
Short Term	(50.00)	93.68
31/03/2020		
Short Term	50.00	(104.84)
Short Term	(50.00)	104.84

- The Positive amount represents increase in profits while a negative amount represents decrease in profits.
- The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable market environment.

36 Capital management

The Group's capital management objectives are:

- to ensure the Group's ability to continue as a going concern.
- to provide an adequate return to shareholders.

The Group monitors capital on the basis of the carrying amount of equity less cash and cash equivalents as presented on the face of balance sheet. Management assesses the Group's capital requirements in order to maintain an efficient overall financing structure while avoiding excessive leverage. This takes into account the subordination levels of the Group's various classes of debt. The Group manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Group may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares, or sell assets to reduce debt. The Group's adjusted net debt to equity ratio as at year end were as follows:

Particulars	(Amount ₹ in Lakh)	
	31-03-2021	31-03-2020
Total borrowings	18,752.57	21,014.56
Less : cash and cash equivalents	472.01	334.53

In compliance with the provisions of the Companies Act, 2013 ('the Act'), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('the Listing Regulations'), MCA Circulars and SEBI Circulars, the AGM of the Company is being held through VC/OAVM which does not require physical presence of members at a common venue. The proceedings of the AGM will be deemed to be conducted at the Registered Office of the Company which shall be the deemed Venue of the AGM.
2. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 ("the Act") with respect to the Special Business under Item Nos.05 as set out in the Notice is annexed hereto.
3. Pursuant to the provisions of the Act, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/ her behalf and the proxy need not be a Member of the Company. In terms of MCA Circulars, since physical attendance of Members has been dispensed with, there is no requirement of appointment of proxies. Accordingly, the facility for appointment of proxies by the Members under Section 105 of the Act, will not be available for the AGM and, hence, the Proxy Form and Attendance Slip are not annexed to this Notice.
4. The Board of Directors has appointed Mr. Devesh Arora, Practicing Company Secretary (M. NO. 49034, CP No. 17860) as the Scrutinizer to scrutinize the voting and remote e-voting process in a fair and transparent manner.
5. Corporate/Institutional members (i.e. other than individuals, HUF, NRI, etc) are required to send scanned copy of its Board or governing body resolution/authorization etc., authorizing its representative to attend AGM through VC/OAVM on its behalf and to vote through remote e-voting. The said Resolution/Authorization be sent to the Scrutinizer by email through its registered email address to daa.office1@gmail.com with a copy marked to evoting@nsdl.co.in
6. Members attending the AGM through VC/OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
7. Members can login and join the AGM 15 minutes prior to the scheduled time to start the AGM and the window for joining shall be kept open till the expiry of 15 minutes after the scheduled time to start the AGM. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members, on first-come-first-served basis. However, the participation of large members (members holding 2% or more shareholding), promoters, institutional investors, directors, key managerial personnel, the Chairpersons of the Audit Committee, Nomination & Remuneration Committee, Stakeholders Relationship Committee and Auditors can attend the AGM without restriction of first-come-first served basis. Instructions and other information for members for attending the AGM through VC/OAVM are given in this Notice.
8. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
9. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the aforesaid MCA and SEBI Circulars, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-voting system as well as venue voting on the date of the AGM will be provided by NSDL.
10. For ease of conduct, members who would like to ask questions/express their views on the items of the business to be transacted at the meeting can send in their questions/ comments in advance mentioning their name, demat account number/ folio number, email id, mobile number at Investor.grm@gmail.com. The same will be replied by the Company suitably. Those Members who have registered themselves as a speaker will only be allowed to express their views/ask questions during the AGM. The Company reserves the right to restrict the number of speakers depending on the availability of time for the AGM.
11. The Registers of Members and Share Transfer Books of the Company will remain closed from Wednesday, September 22, 2021 to Tuesday, September 28, 2021 (both days inclusive) for the purpose of annual closure of books.
12.
